

POLICE VETTING POLICY

CANTERBURY VOLLEYBALL ASSOCIATION

Coaches, Managers, and other adults who are involved in any way with the Associations teams at practices, games, tournaments and while travelling may be required to:

- Complete a police vetting request form or supply a letter where police vetting has been completed for another purpose in the last six months.
- All correspondence relating to this will be kept completely confidential; stored in a lockable facility and will only be accessible to the association President, Secretary and Operations Manager.
- If any person has convictions that are deemed undesirable, the President will be responsible for advising that the position is no longer available.

This is to ensure we provide our junior team members with a positive experience within our association and our sport.
